DATA SHEET

SLW LED® MINI Neon Flex

SLW LED® MINI Neon Flex 10*10 (Square)

Available in White (6500K)

Other Colors avail. by Special Order

Product Features

SLW LED® MINI Neon Flex is the most flexible Flex of its kind. Perfect for small script neon signage. Great for accent and boarder lighting. Incredible for retrofitting neon open faced channel letters. This unique product evenly disburses light to create a truly neon appearance with no visible LED dots. Bright and vivid color lighting every time!
